**Why do we elect delegates?** The purpose of electing delegates is to ensure that the group conscience is served through equal and fair representation of our membership. Registered delegates receive packets of information concerning the voting items being presented, enabling them to review the materials in advance and to learn their home group's conscience prior to the conference.

**How do I learn whether my Intergroup has already selected a slate of delegates?**

The following is a list of phone numbers and websites of registered Intergroups. If you live in one of the areas listed, please contact the Intergroup for further information about becoming a delegate. If you live in an area where there is no Intergroup, your group may elect you as a delegate.

**How many delegates can an Intergroup vote to elect?** Each Intergroup is entitled to send one delegate for every three meetings it represents and one additional delegate for any portion thereof.

**What if my group doesn't belong to an Intergroup?** Groups that are not affiliated with an Intergroup are also eligible to send a delegate using a similar system. If there are between one and three groups not affiliated with an Intergroup, those one, two or three meetings may elect one delegate collectively to represent them. If there are more than three, those groups again may collectively send one delegate for every three meetings and one additional delegate for any portion thereof.

**Are the costs a delegate incurs reimbursable?** What are the procedures for such an election? Delegate election is done the way any other business is conducted at your local group or Intergroup. Some Intergroups reimburse their delegates for a portion of the conference expenses, but both of these aspects of delegate service are outside of the scope of World Services in keeping with our fourth tradition. However, delegate expenses are tax deductible.

**Whom can I contact for further information about this process?** If you have any questions about this process, or would like additional information about forming an Intergroup in your area, please contact:
