Samuel P. Taylor State Park is located 15 miles west of San Rafael on Sir Frances Drake Boulevard, just west of the town of Lagunitas.

Coming from Sacramento, check with google maps, or call Catherine for directions to SPT Park. (Map to left doesn't show all the available routes.)

Camping!

Anybody wanting fellowship for the whole weekend is welcome to camp Friday and Saturday nights. Contact Catherine C. (510-527-3907 or catnica@comcast.net) for details. Some people have tents to share if you need one. **We have a site at SP Taylor this year!** This site will hold 8 people and 2 cars. Extra cars will have to pay a fee and park down in a day-use picnic area. **Please let Catherine know ASAP if you want to camp!** Share a potluck meal on Friday night and a Sunday morning breakfast (pancakes and everything!) before we head off into the sunset.
