

Voices of Nicotine Recovery (VONR)

15th Anniversary Marathon

October 13, 2019

VONR's primary purpose is to offer support to those who are trying to gain freedom from nicotine. We are a "voice" meeting site, meaning that our online meetings take place in a "voice enabled" room. We can literally talk to and hear each other share. We also have a message board for on-going communications, support, and fun throughout the day and night.
